Today [The Inspiring Workplaces Group](#) (IWG) proudly unveils its 2024 Global Top 100 Inspiring Workplaces list, recognising truly PeopleFirst organisations.

The Top 100 list has been compiled from the highest-scoring winners across each of IW's operating regions worldwide, including Asia, Australasia, Europe, Latin America, Middle East & Africa, North America, and the UK & Ireland.

In each region, The Inspiring Workplaces Awards 2024 asks the same case study questions consisting of six key elements.

Elements it believes are fundamental to creating an Inspiring Workplace. They are:

- Purpose & Culture
- Leadership
- Wellbeing
- Experience
- Employee Voice
- Inclusion

Organisations entered a category defined by how many people are within the business.

Winners in each region were scored by an independent local expert judging panel. Which were subsequently announced at special in-person and online ceremonies earlier in the year. You can view winners by region [here](#).

Matt Manners, Founder, The Inspiring Workplaces Group commented, "Congratulations to this year's Top 100 Inspiring Workplaces. It's the first time we have entries making this distinguished list from Asia. One clear message we can take from this news is that despite what else might be going on in the world, there is a clear and global desire to put PeopleFirst being led by the private sector. Our mission is to change the world through the world of work, and recognizing these Inspiring Workplaces and their dedicated employees is a crucial step in that journey. Congratulations to all the winners."
