NEW YORK, NY, UNITED STATES, September 5, 2024 /EINPresswire.com/ -- The much-anticipated Emerge! Fashion Show, a champion of emerging designers of color, is set to return during New York Fashion Week on September 10, 2024. This season's runway show and movement will take place at the Leman Ballroom, located at 41 Broad Street, New York, NY.

For over 13 years, Emerge! has championed the cause of new and innovative designers, providing them with a global stage to showcase their creativity and vision. Supporting emerging designers, especially designers of color, is essential for the continual renewal and dynamism of the fashion industry, allowing fresh ideas to flourish and diversify the fashion landscape. The mission of Emerge! is to uplift and empower new talent, ensuring that underrepresented voices are heard and celebrated.

Dionne Williams, the visionary creator and producer of Emerge! Fashion Show expresses her enthusiasm for this year's showcase: "Each year, we get bigger and give the designers a global platform to shine. It's inspiring to see the incredible talent and creativity that these designers bring to the table. Emerge! is not just a show; it's a movement dedicated to pushing the boundaries of fashion and supporting the next generation of fashion leaders."

This year's featured designers include:
