The event aims to raise funds and awareness for caregiver support, highlighting the vital role caregivers play in our community.

## About Caregiver Safe Place

Founded in 2019, Caregiver Safe Place (CSP) is a 501(c)(3) nonprofit organization dedicated to promoting sensitivity, knowledge, and action around caregiver support. CSP provides much-needed relief and respite for caregivers who dedicate their lives to the full-time care of their loved ones, offering a haven for those navigating the demanding role of caregiving.

## Our Founder's Story

Carletta Cole, the founder of Caregiver Safe Place, established the organization with a deeply personal motivation. After her mother was diagnosed with Parkinson's disease in 2018, Carletta, a single mother, found herself navigating the challenges of caregiving alone. Her experience highlighted the need for a support system for caregivers.

"A lot of people don't understand the demands of caring for an aging parent, a child with disabilities, or a veteran until they're in that position," says Cole. "It's a hard situation to be in,

and I knew other caregivers needed support too.”

#### Key Programs:

- Caregiver Day Out: Offers caregivers a day of rest, relaxation, and rejuvenation through various therapeutic and leisure activities.
- Educational Workshops: Provides caregivers with crucial information and skills in areas such as stress management, legal rights, financial planning, and healthcare.
- Support Groups: Facilitates quarterly meetings to provide resources for family caregivers.

#### Impact:

- Direct Support: Each year, hundreds of caregivers receive direct assistance, reducing stress and improving their quality of life.
- Community Awareness: Through events and outreach, CSP raises significant awareness about the challenges faced by caregivers.

The financial impact of unpaid labor from family caregivers is estimated to be about \$470 billion per year. Caregivers are more likely to experience depression, anxiety, and other chronic illnesses than non-caregivers. Your donation will support these dedicated individuals, recognizing their selfless commitment and providing them with the resources they need.

#### Why Your Support Matters

Family caregivers often experience higher rates of depression, anxiety, and chronic illnesses compared to non-caregivers. Your donation to Caregiver Safe Place helps provide essential financial and personal resources to these selfless individuals, ensuring they do not feel overwhelmed or alone.
