Reflecting on Dolce Media Group's journey, Fernando Zerillo, Co-Founder and Creative Director of Dolce Media Group, shared, "When I think back on the journey that began over 28 years ago, I can still remember our first cover with a handful of talents who we selected based on their ability to understand our vision. Fast-forward to today. We still rely on great talent that shares our desire to capture stories — whether via a photoshoot or as a short film that will empower and impact the readers and viewers."

The Dolce Media Group team, known for their meticulous attention to detail and creative vision, orchestrated the entire production from concept to execution. The team travelled to L.A., bringing together top-tier professionals to create a cover story that not only highlights Esposito's illustrious career but also delves into his personal philosophy and the passion that drives his work.
