

Grow and Learn Preschool Expands to Serve More Families with New Toddler Classrooms

Two new classrooms for 1-and 2-year-olds will open this September, offering structured play, one-on-one instructions, and an academically focused curriculum.

QUEEN CREEK, AZ, UNITED STATES, September 5, 2024 /EINPresswire.com/ -- [Grow and Learn Preschool](#) is pleased to announce the expansion of its facilities to include two new classrooms designed specifically for 1-and 2-year-old children. Serving the families in Queen Creek, San Tan Valley, Gilbert, and Florence, this development allows the preschool to offer additional spots for young toddlers. This expansion is part of Grow and Learn Preschool's commitment to providing high-quality, curriculum-based education for young children in a nurturing and engaging environment.

Grow and Learn's [Toddler Curriculum](#) focuses on structured play, with each child receiving one-on-one instruction from their teachers. Toddlers will play through a curriculum focusing on language arts, science, math, art, music, and, of course, movement. Teachers at Grow and Learn encourage social-emotional development while teaching daily lessons.

As part of Grow and Learn Preschool's commitment to educating young children and supporting their families, they are waiving the \$100 registration fee for all new enrollments during September. This limited-time offer is designed to make it easier for families to access early childhood education during this crucial stage of their child's development.

With small class sizes and a focus on structured play and individual attention, Grow and Learn Preschool ensures that each child receives the foundation for future academic success starting at an early age. Interested families can [schedule a school tour](#), meet the teachers, and explore the space where learning looks like play.
