Recently honored with the prestigious 2024 Best of Florida Regional Award, Unique Kids Preschool continues to exemplify its unwavering dedication to fostering the social and academic development of young minds.

The Best of Florida Awards, hosted by GuidetoFlorida.com, recognizes outstanding achievements across the region, with winners determined by the votes of local communities. Unique Kids Preschool secured this esteemed award through the heartfelt support of the parents and families they serve—a testament to the trust and confidence the community places in this educational institution.

What makes Unique Kids Preschool a standout in a crowded field of early education options is more than its name. Opening its doors as early as 6:15 am, the preschool accommodates the diverse needs of working families, providing a reliable and enriching environment for children to begin their day. Furthermore, the preschool is distinguished by its dual accreditation from two highly respected agencies: APPLE (Accredited Professional Preschool Learning Environment) and NAEYC (National Association for the Education of Young Children). These accreditations highlight the school's commitment to delivering a safe, nurturing, and academically rigorous environment.

Teachers at Unique Kids Preschool go above and beyond for their students, providing over 10 years of teaching experience with the preschool. Their dedication for ensuring students' success is shown in the enriched curriculum that keeps students engaged and challenged. Unique Kids Preschool teachers gear their students towards success by providing assessments three times per year, meaning that no student is left struggling in the cracks.

Our proof to attest what we truly offer is proven in our students. As early as infancy we develop & challenge our students to academically surpass peers in their age group. The reward is when our graduates move on to elementary school at the top of their class. Unique Kids is the cream of the crop.

This educational philosophy extends beyond the classroom, aiming to build a supportive community where children learn the values of cooperation, responsibility, and respect. The

environment at Unique Kids Preschool is crafted to be both challenging and nurturing, empowering children to discover and develop their unique talents and abilities.

For parents navigating the often-overwhelming task of finding the right preschool, Unique Kids Preschool offers a solid landing ground—a place where children can truly thrive. The recent Best of Florida Regional Award is not only a recognition of past accomplishments but also a promise of continued excellence and a bright future for the children it serves.

Unique Kids Preschool invites the community to visit and experience firsthand what makes this institution truly unique. Here, every child's potential is nurtured, and the journey of learning is as individual as the children themselves.
