This accolade reflects the company's exceptional commitment to personalized care and the profound impact their therapeutic services have on clients who are seeking more beyond a traditional massage.

The Best of Florida Awards, presented by GuidetoFlorida.com, celebrates businesses that exemplify excellence and dedication in their fields. Bodywork by Bina Maison @ MiamiBeachTouch.com stood out in this competitive landscape, earning the honor through the votes of satisfied customers. This recognition underscores the strong connection and trust Maison has built with her clientele.

Originally hailing from Rio de Janeiro, Brazil, Maison brings a wealth of experience to Miami, having spent 24 years refining her craft in Los Angeles. Her holistic approach to massage therapy is offered in luxurious private studios at Khospace Luxury Suites in Coral Gables and Aventura, as well as through mobile services that bring her expertise directly to clients' locations. Each session is meticulously tailored to individual needs, incorporating a wide range of techniques from lymphatic drainage and sensory repatterning to deep tissue, and myofascial release.
