

HOPE SHEREE RELEASES TOUCHING LYRIC VIDEO FOR NEW SINGLE, 'BROKEN' AIMED AT ENCOURAGING CHRISTIANS WITH ILLNESSES

FINALLY, A SONG THAT UPLIFTS THE BROKEN. A GENTLE REMINDER THAT GOD IS CLOSE TO THE BROKENHEARTED

NORFOLK, VA, UNITED STATES, September 6, 2024 /EINPresswire.com/ -- Hope Sheree released a lyric video for her heartfelt song "Broken," which debuted on Friday, August 9th. The lyric video addresses the physical, mental, and spiritual challenges individuals may encounter on their journey through life.

With each scene portraying various challenges, paired with the soothing lyrics and calm melody of the song, one inevitably experiences a profound sense of tranquility. The lyric video debuted on YouTube on September 2nd, and within a few hours, it had garnered hundreds of comments discussing the song and its message.

“

The Lord is near to the brokenhearted and saves the crushed in spirit.”

Psalm 34:18

Hope Sheree, who battles the chronic illness Multiple Sclerosis, brings a deeply personal and authentic understanding of these struggles. Her music challenges

the often-dismissive attitudes within the Christian community towards illness, advocating for a more compassionate and supportive approach. “Broken” was penned by the renowned Stellar-Nominated National Recording artist Ron Summers and brought to life by the gifted producer Reggie Halsey. Despite being paralyzed from a motor vehicle accident, Halsey’s involvement in the project underscores the song’s core message of overcoming obstacles and finding purpose through adversity. The collaboration between Hope Sheree and Reggie exemplifies the powerful synergy that can emerge from shared experiences of hardship and triumph. Hope Sheree is currently coordinating concerts that will tour nursing homes, hospitals, and churches with healthcare ministries. The message is clear: God's Word highlights that blessings emerge from

brokenness, as He extends His reach to those who are broken. Broken is now available for [streaming and purchase](#).
