

Springboard Enterprises Launches National Trust

Expanding the Team to Empower and Advance Women-Led Companies

WASHINGTON, DC, UNITED STATES,
September 9, 2024 /EINPresswire.com/
-- [Springboard Enterprises](#) is expanding

its mission to fuel the success of women led companies. Springboard is leaning in on its record of successful portfolio companies that created more than \$39.1 billion in value with more than 90% of Springboard companies raising capital. The National Trust brings together a network of industry leaders and portfolio company alumnae united by a shared mission to help women to rise and raise capital.

The Springboard National Trust aims to become a catalyst for change, tackling the systemic challenges that women entrepreneurs and leaders often encounter. By offering strategic guidance, access to essential resources, and targeted initiatives, the Trust is committed to creating an environment where women-led companies can not only survive but thrive, reaching their full potential. The Trust is also focused on changing the narrative around women founders by highlighting their achievements and capabilities.

The Trust is dedicated to equipping women-led companies with the tools, connections, and support they need to scale more effectively. This includes building upon and refining Springboard's existing programs to further meet the evolving needs of high-potential women entrepreneurs. Through the collective expertise of its members, the Trust will work to expand the influence and visibility of women leaders, ensuring that women founders are not only recognized but are also integral to the industry's future.

The Springboard National Trust represents a significant milestone in Springboard Enterprises' mission to empower women-led businesses. By addressing key challenges and creating a supportive ecosystem, the Trust is ready to create lasting impact, benefiting not only Springboard alumni but the broader community of women entrepreneurs.
