

Yolanthe Cabau Achieves Flawless Skin with Dr. Simon Ourian's Coolaser Treatment at Epione Beverly Hills

Yolanthe Cabau reveals flawless skin thanks to Dr. Simon Ourian's Coolaser treatment at Epione Beverly Hills, enhancing her natural glow with minimal downtime

BEVERLY HILLS, CA, UNITED STATES, September 5, 2024 /EINPresswire.com/ -- Actress, model, and entrepreneur Yolanthe Cabau recently shared her glowing skin transformation on [Instagram](#), showcasing the results of Dr. Simon Ourian's signature [Coolaser](#) treatment at [Epione](#) Beverly Hills. Yolanthe, admired for her timeless beauty, entrusted Dr. Ourian with her skincare routine to maintain a flawless, youthful complexion.

The Coolaser treatment, developed by Dr. Ourian, has become one of the most popular procedures at Epione. It offers a unique, non-invasive approach to treating various skin concerns, from fine lines and pigmentation to uneven texture and acne scars. The Coolaser gently removes damaged skin cells while stimulating collagen production, resulting in a smoother, more youthful appearance. The treatment is highly sought after by celebrities like Yolanthe, who want dramatic results without the downtime and risks associated with surgery.

"Yolanthe's results are exactly what we strive for at Epione," said Dr. Simon Ourian, founder of Epione Beverly Hills and a leading expert in cosmetic dermatology. "With Coolaser, we can offer our clients effective, long-lasting skin rejuvenation while maintaining a completely natural look. It's designed for those who want flawless skin without sacrificing time for recovery."

As a busy actress and businesswoman, Yolanthe sought a treatment that could deliver noticeable improvements quickly and with minimal disruption to her demanding schedule. The Coolaser treatment gave her a refreshed and glowing complexion, allowing her to confidently
