#### Definition:

When an insurance agreement is formed, an insurance brokerage works as a go-between for the insured and the insurer. This business is referred to as insurance brokerage. An insurance broker is a professional who assists consumers in their search for the best coverage for their needs. Brokers work with their clients to determine their requirements. The brokers review the contracts of several choices and offer a protection plan that best suits the client's demands at the lowest possible cost. Insurance broking benefits both customers and insurers, which opens up new potential for expansion in the insurance broking sector. Insurance brokerage is improving.
