Tips for Enrolling in or Changing Health Insurance Plans:

- 2. Review and Compare Plans:** Use the online marketplace or consult with an HSA for America Personal Benefits Manager to compare available health insurance plans. Evaluate premiums, deductibles, copayments, and out-of-pocket maximums, and ensure your preferred healthcare providers are within the plan's network.

3. Prepare Your Information: Have all necessary information ready before you begin the enrollment process. This includes personal details, information about your household income, and details of any current insurance coverage.
