About Aaron Bleiweiss:

Aaron Bleiweiss is a guitarist, producer, and singer/songwriter currently based in San Diego, CA. By fusing guitar-heavy funk rock with soulful pop and blues, he creates a classic sound that pays homage to the past while still sounding vital and edgy in the modern world.

A native of Seattle, WA, Aaron was naturally drawn to the grunge and alternative rock that the Pacific Northwest is famous for. When he moved to Los Angeles to attend the Musician's Institute, he developed an ear for the vintage soul and blues music that would define his style as a guitarist. After graduating, he toured the US, spending several years on the road before settling down in Brooklyn to pursue a solo career. The diversity and electric energy of New York can be clearly heard in Aaron's solo work.

Working as a solo artist for the first time, he is confident yet introspective, as he expresses his thoughts about the journey life has taken him on. Entitled *Twists and Turns*, Aaron's new album invites listeners on a journey through the winding paths and unexpected detours of life.
