

Pastor Eric Readon Launches Youth and Community Mentorship Program at New Beginning Missionary Baptist Church

Pastor Eric Readon launches a mentorship program with law enforcement and rap icons to guide at-risk youth in Miami Gardens toward positive change.

MIAMI GARDENS, FL, UNITED STATES, September 6, 2024 /EINPresswire.com/ -- Pastor Eric Readon, leader of New Beginning Missionary Baptist Church, is proud to announce the launch of a groundbreaking Youth and Community Mentorship Program aimed at guiding at-risk youth in Miami Gardens toward positive life choices.

The program, which brings together local law enforcement and influential rap artists, seeks to create a safe and supportive environment where young people can find mentorship, faith, and a path away from crime.

Recognizing the unique challenges faced by many at-risk youth, Pastor Readon's new initiative focuses on building relationships, providing guidance, and offering positive role models from both the local community and the entertainment industry.

Through this innovative program, young people will have access to mentorship from law enforcement officers, who will share their insights on law, justice, and community, as well as prominent figures in the rap industry, who can connect with youth on a cultural level.

Key Components of the Mentorship Program:

- Law Enforcement Partnership: Pastor Readon has collaborated with Miami Gardens' law enforcement to lead discussions, share real-world experiences, and foster trust between at-risk youth and officers. This relationship-building is designed to reduce fear and create

understanding between young people and the police force.

- Rap Icon Participation: Recognizing the cultural significance of rap music among today's youth, Pastor Readon has also secured partnerships with well-known rap artists who will share their personal journeys, discuss their own paths away from crime, and encourage young people to channel their talents in positive ways. These artists will participate in church-hosted events and one-on-one mentoring sessions.

- Christ-Centered Environment: At the core of the mentorship program is a focus on faith and personal development. The program encourages participants to find strength and guidance in the teachings of Christ, helping them cultivate a moral compass, self-discipline, and hope for a brighter future.

- Community Engagement: The program will extend beyond the church walls, involving local businesses, schools, and community leaders in providing opportunities for education, employment, and personal growth.
