

Heritage Exteriors Expands Siding Services to Union City, CA

UNION CITY, CA, UNITED STATES, September 6, 2024 /EINPresswire.com/ -- [Heritage Exteriors](#), a renowned siding contractor serving Northern California, is excited to announce the expansion of its services to Union City, CA. Homeowners in the area can now benefit from Heritage Exteriors' expertise in providing high-quality siding solutions, including James Hardie fiber cement siding, along with window installations and exterior renovations.

Fast plank Aluminum Siding

As a certified James Hardie installer, Heritage Exteriors is known for offering siding that combines superior durability with the ability to withstand harsh weather conditions, all while maintaining an appealing aesthetic. This expansion into Union City allows homeowners to take advantage of expert siding installations that protect and enhance the beauty of their homes.

"We're thrilled to bring our trusted services to Union City," said David Chernetskiy, COO of Heritage Exteriors. "Our team is committed to providing homeowners with solutions that last, helping them boost both the value and the longevity of their homes' exteriors. We look forward to being a part of the Union City community and serving its residents with the same dedication we've shown throughout Northern California."

With this expansion, Heritage Exteriors is offering complimentary siding consultations to Union City residents, providing personalized recommendations and project estimates tailored to each home's specific needs.
