A Night of Magic and Mystery

While you would imagine the performers to be the stars of the evening, the true stars of the show quickly became a number of volunteers, mostly students, in the hypnosis show during the second act. Students were quickly hypnotized to perform a number of amazing feats on stage, ending the evening with an [unbelievable competition-style dance routine](#) showing off amazing moves that most didn't see coming!

“

These guys really care about the students and we can't thank them enough for helping us reach our goal to purchase new uniforms.”
