About Premier Risk Solutions LLC

Premier Risk Solutions is headquartered in the greater Seattle, WA area and operates globally. With resources spanning 80 countries, PRS leverages its extensive network to provide comprehensive risk management and physical security services. Their seasoned team, including professionals with law enforcement and military backgrounds, ensures reliable, respectful, and responsible protection for clients. Premier Risk Solutions specializes in executive protection, workplace violence prevention, and comprehensive security solutions.

About TipNow

TipNow is an innovative workplace safety platform that empowers anonymous reporting. Whether on college campuses, in workplaces, event venues, or communities, TipNow provides a simple yet powerful solution. Here's how it works:

Ease of Use: TipNow allows users to report incidents anonymously via text messages, calls, emails, or web forms. Sharing information, pictures, and videos is seamless and confidential.
Threat Intelligence: Leveraging AI technology and video analytics, TipNow provides actionable insights to security teams, helping organizations stay ahead of potential threats.

Global Impact: TipNow's video analytics platform has been deployed in over 30 countries, preventing active shooter incidents, suicides, and illegal drug activity. It fosters a culture of workplace safety.

Collaboration for Safer Environments
The collaboration between Premier Risk Solutions and TipNow is a game-changer. By combining PRS's global security expertise with TipNow's cutting-edge technology, they aim to:

Enhance Reporting: Anonymous reporting becomes more accessible, encouraging proactive safety measures for all who participate.

Predictive Insights: Leveraging AI, they will predict and prevent potential threats providing for more agile global security operations to organizations.

Compliance: In an era of evolving regulations, their joint efforts ensure compliance with workplace safety laws to joint clients.
