Simply Driven Executive Search, a nationally ranked talent acquisition firm, is pleased to announce a first-of-its-kind partnership with SYRV.AI. This partnership combines Simply Driven’s expertise in talent acquisition with

SYRV.AI’s deep experience in Artificial Intelligence, offering businesses a comprehensive approach to workforce development in the age of AI.

This strategic alliance aims to revolutionize how companies understand, implement and leverage artificial intelligence across their enterprise through AI talent acquisition, deployment and resource optimization.

The partnership will provide:

- Fractional Chief AI Officers to educate clients and uncover low-risk, high-return opportunities to leverage existing data within their business. Access to elite AI leadership, on-demand without the commitment and cost of a full-time hire.
- Strategic AI Talent Acquisition to deliver AI-skilled professionals that will prevent clients from being overwhelmed and left behind by the AI imperative’s rapid, transformational impact on organizations and their workforce
- Employee AI Training and Upskilling to teach employees how to harness the power of AI and use it to unlock value hidden inside their organizations.

“Our client companies literally have millions of dollars of value hidden in their existing operational data and workflows. Simply Driven and SYRV.AI will lead them to unlock that value

and create exponential business improvements” said Kent Burns, CEO of Simply Driven Executive Search.
