BOSTON, MA, UNITED STATES, September 9, 2024

[/EINPresswire.com/](#) -- [Ham Sebunya](#), author, speaker, and entrepreneur, is pleased to announce the release of his latest books, [Speak with Confidence](#) and [Leap of Resilience](#). These works provide readers with practical insights into mastering communication and overcoming life's challenges. In addition, Ham is launching youth empowerment programs that focus on guiding young individuals towards entrepreneurship and personal growth. His third book, set for release in October, will further explore themes of leadership and innovation.

Ham Sebunya's efforts to empower aspiring entrepreneurs, real estate investors, and youth are channeled through his company, HAMS4 INC., a business committed to driving success and fostering sustainable growth.

Ham's journey began in Uganda, where he studied Veterinary Medicine before expanding into real estate and business solutions. His path from treating animals in his local village to investing in land deals, houses, and motorcycles is a testament to his resilience, strategic growth, and leadership. After completing an internship in Israel, Ham used his stipend to invest in real estate, eventually moving to the United States to establish HAMS4 INC.

Through his workshops, mentorship programs, and books, Ham helps others navigate the complexities of entrepreneurship, leadership, and business development. His focus on turning setbacks into opportunities and leveraging technology for growth has inspired many.

Ham states, "True success is not just about reaching your own goals but also about lifting others along the way. When we empower those around us, we create a ripple effect of positive change."
