The Silver A' Interior Space, Retail and Exhibition Design Award celebrates

designs that not only align with current industry trends but also advance standards and practices through their innovative features. Yibai Restaurant's preserved flower-themed interior exemplifies this, offering a unique and immersive dining experience that resonates with customers seeking both culinary delights and a visually stunning environment.

Yibai Restaurant's interior design stands out for its soft white color palette, accented with golden hues and exquisite floral designs throughout the space. The petal-shaped facades, rounded arches, and dome-like structures create an ambiance reminiscent of dining within an elegant blossom. Axin Chen's meticulous attention to detail, from material selection to ensuring structural stability, results in a harmonious and safe space that captivates patrons.

This recognition from the A' Design Award serves as a testament to Axin Chen's dedication to pushing the boundaries of interior design. The accolade is expected to inspire the designer and
