

AUVON Debuts the "AUVON PT1 Pro" - A Professional TENS Unit for At-home, Drug-free Pain Management

Experience Convenient, Professional-grade, and Customizable Pain Relief with AUVON PT1 Pro

LEWES, DE, UNITED STATES, September 16, 2024 /EINPresswire.com/ -- As an expert brand in the field of pain relief, AUVON launches the AUVON PT1 Pro TENS Unit Muscle Stimulator on [Amazon](https://www.amazon.com). Designed with versatility, the AUVON PT1 Pro features 8 diverse modes and 40 intensity levels, providing up to 60 hours of therapy. By leveraging natural pain control mechanisms within the body, this advanced device offers a safer and more effective solution for managing pain, enabling users to enjoy pain relief and a higher quality of life.

Achieve Drug-free Pain Relief and Body Comfort at Your Own Home

Pain - whether from daily activities, demanding jobs, or aging - can significantly impact sleep, mental state, mobility, and overall well-being, often resulting in a cascade of emotional and economic repercussions. The AUVON PT1 Pro TENS Unit offers an accessible, non-invasive alternative for pain management, utilizing human body stimulation technology to activate specific natural pain gate mechanisms. Ideal for athletes, manual laborers, or anyone with pain management needs, the AUVON PT1 Pro TENS unit is an ideal choice for accessible and professional-grade pain relief. Embrace a life free from pain with the AUVON PT1 Pro, and regain the independence and comfort.

The New Upgraded TENS Unit for Personalized Pain Treatment

Individual pain relief needs vary widely, leading to the development of personalized pain

management approaches. The AUVON PT1 Pro TENS Unit stands out due to its customizable modes, adjustable intensity levels, long-lasting battery, and a range of TENS pad options, offering 9 personalized and efficient pain reliefs to meet a wide variety of individual needs.

- This advanced TENS device offers 8 customizable modes for a variety of at-home pain relief solutions, adjustable to fit personal and professional recommendations.
- With 40 levels of intensity and a precise control knob, it allows users to gradually adjust stimulation strength for comfortable pain management.
- The AUVON PT1 Pro is equipped with a powerful 600 mAh rechargeable battery, which can withstand up to 60 hours of continuous treatment per charge and offers a more flexible plan of treatment sessions according to personal schedules without frequent and hassle charging.
- The machine includes high-quality, American-made gel pads in different sizes for focused treatment on different body parts and can use two or four pads at once, accommodating users' specific needs.

User-friendly Designs for Convenient and Efficient Use

Patients often encounter various challenges when using professional-grade TENS devices for home treatment, which can significantly affect their home pain management experience. In response, the AUVON PT1 Pro was designed to be user-friendly, aiming to provide a simple and easy-to-use solution for professional pain relief at home.

The AUVON PT1 Pro TENS unit stands out with top-mounted rotary knobs for seamless intensity adjustments, providing smoother operation than conventional buttons. Its large, intuitive screen and buttons ensure effortless mode selection. "Yeah, I feel like it's really easy to move through," expressed a satisfied orthopedic surgeon outpatient after trying the device, praising its ease of navigation and the thoughtful design for making pain relief at home so easy and effective.

"The AUVON PT1 Pro Rechargeable Digital TENS Unit Muscle Stimulator is the epitome of our commitment to incorporating cutting-edge medical technology into every day. We recognize the individuality of pain, which is why we have committed to the field of pain relief for 7 years to realize the concept of 'Relief, within Reach' and strive to provide better quality products with humanized designs and enable free self-care at home to enhance the quality of life and happiness for everyone," said Charlie, Chairman of AUVON.

Pricing and Availability

The AUVON PT1 Pro is now available for \$39.99 on Amazon. To make it affordable for most consumers, Auvon now is offering a promotional discount of 10% on using the code "AUVONMEPT", valid from August 28th to October 28th.

ABOUT AUVON

Founded in 2017, AUVON has become the top seller on Amazon in the field of pain management. The passionate innovators on the team believe in "Relief, within Reach", and everyone should have access to high-quality, affordable, user-friendly pain relief solutions.

AUVON's products garnered widespread customer acclaim and endorsements from editors across several health publications, such as the New York Times, Forbes, Healthline, etc. In the past 7 years, AUVON products have served over 8.2 million American families across 8 countries and regions. The brand promises to empower everyone to take control of their health and well-being and accompany them on their journey toward a brighter, pain-free future.
