In line with the group’s pioneering approach to hospitality and continual evolution to become the leader in its class of hotels and resorts, on the 5th and 6th of September, [Atmosphere Core](#) held a senior leadership summit in Mumbai to debate and plan ahead strategic objectives and share the company’s future vision.

The Mumbai gathering seamlessly integrated the pioneering mindsets of the newly established India leadership team with senior colleagues and Board

Atmosphere Core’s Group Managing Director Mr Salil Panigrahi comments on the summit event, “Today’s summit transcended the subject of our mere expansion, what our Leadership team shared was our commitment to crafting a harmonious relationship between our people and properties.

“Our vision is clear - to cultivate an immersive experience that elevates guest satisfaction while honouring local heritage and sustainability. Second to this, is our commitment to India and bringing employment, local economic growth and prosperity to the communities we operate within”, concluded Mr Panigrahi.
