

Local Barber Setting Out to Poll the People on the Presidential Election

FARMINGTON, CT, UNITED STATES, September 9, 2024 /EINPresswire.com/ -- [Michael Anthony](#) of Michael Anthony's Hair Salon and Barber Shop is hosting his third presidential polling - which accurately predicted the results of the 2016 election between Donald Trump and Hillary Clinton.

Visit the shop at 15 Garden St, Farmington CT for a haircut and to get in on the action! To participate you just have to take a photo with the cardboard cutout of your choosing - Donald Trump or Kamala Harris.

The barber hopes that this will bring people together, while there is so much divisiveness within the country right now, and is trying to "inspire everyone to get out and vote - be you Republican, Democrat or Independent, because it is an honor and a privilege to be able to vote for our president!"

In the past, customers have LOVED participating and are looking forward to this event again.
