Removal Clinic in Manhattan, Led by
Dalya Harel

Lice Busters, the nation's leading lice removal and prevention service, is proud to announce the opening of its newest location in Manhattan.

Spearheaded by Dalya Harel, this new clinic will serve families throughout the city, offering safe, chemical-free lice removal in a state-of-the-art facility.

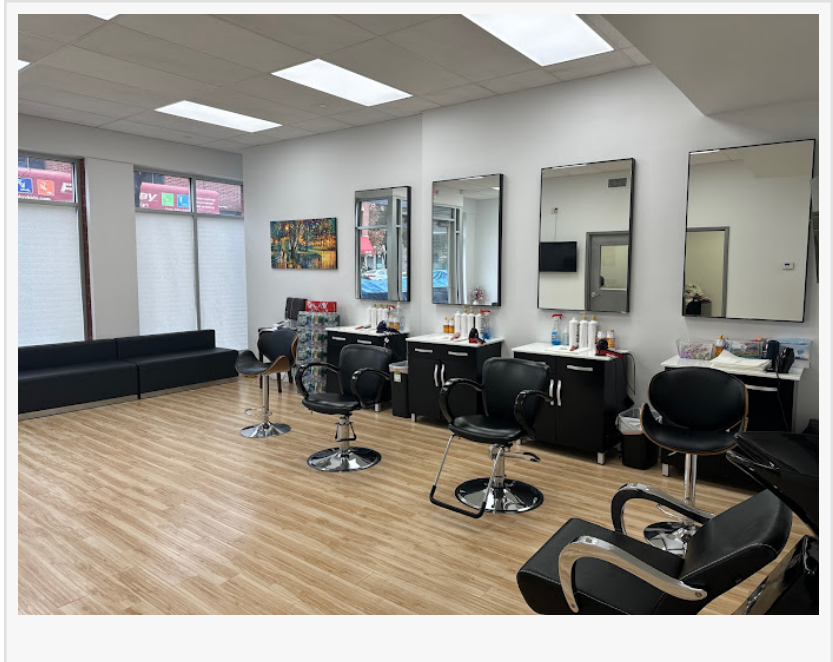

"We're excited to expand our reach in Manhattan," said Dalya Harel, a key leader at Lice Busters. "Our goal is to make lice removal accessible and stress-free for families. With this new location, we're able to help more people in a convenient and welcoming environment."

The new Manhattan clinic will feature Lice Busters' renowned lice removal services, including thorough head checks, professional treatments, and education on lice prevention. Using all-natural, non-toxic methods, Lice Busters provides a child-friendly experience that prioritizes safety and comfort.

Harel, who has been a driving force behind Lice Busters' growth, is thrilled to bring this essential service to Manhattan. "Our team is dedicated to providing the best possible care for families dealing with lice. We know how disruptive lice can be, and we're here to help."
