Architectural Excellence: At the heart of this home’s design is its distinctive post-and-beam construction, known for creating open, airy spaces with a strong connection to the outdoors. Featuring soaring cathedral ceilings throughout, the living room captivates with an impressive 27-foot ceiling height, creating a dramatic yet welcoming atmosphere. Every detail of the home is designed to bring the outside in, with expansive windows offering breathtaking views of the lush greenery surrounding the property.

Private Retreat in Nature: Situated on a private lot, the property is surrounded by mature trees and tranquil landscapes. With Cabin John Park and

Cabin John Creek right next door, outdoor enthusiasts will enjoy unparalleled access to scenic trails, wildlife, and natural beauty just steps away from their front door. The Potomac River and the historic C&O Canal towpath are also within walking distance, providing endless opportunities for hiking, biking, kayaking, and relaxation.

Prime Location for Commuters: Despite its serene and secluded setting, the home is conveniently located just 15 minutes from downtown Washington, D.C. during off-peak hours, offering an easy commute to the city. The combination of tranquility and accessibility makes this Deckhouse an ideal choice for professionals seeking a peaceful retreat without sacrificing convenience.

Total space approx. 7,190 sqft. (4,545 sqft main and upper level, plus approx. 2,445 sqft on lower level, including office with floor-to-ceiling sliding doors and terrace because of location on a sloped lot).

This one-of-a-kind property is a perfect blend of architectural mastery, natural beauty, and modern living. Prospective buyers interested in experiencing the Deckhouse's charm and unique features are encouraged to schedule a private viewing.
