-- JR Language [Translation Services](#), a leading provider of professional translation services, has achieved a remarkable milestone by securing the 399th position on the Financial Times' prestigious list of the Americas' Fastest-Growing Companies for 2024.

“

We are thrilled to be recognized among the fastest-growing companies, surpassing some incredibly talented organizations. This ranking is a testament to our team's dedication and clients' trust.”

Jackie Ruffolo, President and Founder

This accomplishment places the New York-based language services firm ahead of industry titans Amazon and Salesforce, highlighting its exceptional growth trajectory and market impact.

The FT's fifth annual ranking, based on revenue growth achieved between 2019 and 2022, showcases companies that have demonstrated resilience and innovation during a period marked by the pandemic and changing economic conditions. JR Language's inclusion in this list underscores its ability to thrive in challenging times and outpace even some of the biggest names in tech.

The company's success can be attributed to its innovative approach to language solutions, which leverages cutting-edge technology while focusing on human expertise. JR Language's commitment to quality and customer satisfaction has resulted in a high client retention rate and steady expansion of its services. The company has expertise in a variety of fields, from [financial translation services](#) to business interpretation services.

Jackie Ruffolo, President and Founder of JR Language, expressed her enthusiasm about the

company's achievement: "We are thrilled to be recognized among the fastest-growing companies, surpassing some incredibly talented organizations. This ranking is a testament to our team's dedication and clients' trust in us for their global communication needs."
