

South Shores Detox Expands San Diego Drug Rehab Services for Military Personnel and Families

South Shores Detox expands drug rehab services in San Diego with accredited in-network TRICARE programs for addiction and dual diagnosis treatment support.

SAN DIEGO, CA, UNITED STATES,
September 10, 2024 /

EINPresswire.com/ -- South Shores Detox, a leading provider of addiction treatment services in Southern California, announced today an expansion of its drug rehab programs in San Diego. The center now offers comprehensive care for active duty military, veterans, and their families, including those stationed at Naval Air Station North Island and Camp Pendleton.

The expansion includes enhanced services for addiction treatment and dual diagnosis care, all fully accredited by the Joint Commission and the Department of Health Care Services (DHCS). South Shores Detox now [accepts TRICARE insurance for its medical detox and residential treatment](#), as well as outpatient programs, making quality care more accessible to service members and their loved ones.

"We recognize the unique challenges faced by our military community when it comes to substance abuse and mental health," said a spokesperson for South Shores Detox. "Our expanded services aim to provide tailored, evidence-based treatment that addresses the specific needs of Marines, sailors, and their families."

The center's drug rehab programs in San Diego encompass a wide range of services, including:

South Shores Detox offers Joint Commission accredited treatment in Orange County

Medical detoxification
Residential treatment
Partial Hospitalization Program (PHP)
Intensive Outpatient Program (IOP)
Dual diagnosis treatment for co-occurring mental health disorders

South Shores Detox's approach combines cutting-edge medical care with holistic therapies, ensuring a comprehensive recovery process. The center's team of experienced professionals includes licensed therapists, medical doctors, and addiction specialists who work collaboratively to create personalized treatment plans.

"Our goal is to provide a seamless continuum of care, from detox through outpatient services," the spokesperson added. "By accepting TRICARE insurance, we're removing barriers to treatment and supporting the long-term recovery of our military community."

Our expanded services aim to provide tailored, evidence-based treatment that addresses the specific needs of Marines, sailors, and their families”

a spokesperson for South Shores Detox

The center's proximity to [major military installations like Naval Air Station North Island](#) and Camp Pendleton makes it an ideal choice for service members seeking local, high-quality addiction treatment. South Shores Detox's programs are designed to accommodate the unique schedules and needs of military personnel, with flexible outpatient options that allow for continued duty or family responsibilities.

As part of its commitment to the military community, South Shores Detox also offers specialized trauma-

informed care, addressing issues such as PTSD and combat-related stress that often co-occur with [substance use disorders faced by Marines at Camp Pendleton](#) as well as for those across the branches of our Armed Forces.
