"We are honored to receive the 2024 Oracle Business Impact award, a testament to our team's commitment to lead digital transformation and deliver value to our clients. Our strategic and growing alliance with Oracle, coupled with our expertise in Oracle Cloud Applications and Infrastructure, enables us to help customers streamline operations, reduce costs, and drive profitable growth. I am incredibly proud of our Peloton team's passion and commitment to lead organizations in achieving their digital transformation goals and advancing their business growth," said Guy F. Daniello, CEO and Founder of Peloton Consulting Group.

Peloton's success is rooted in consistently delivering high-quality services and significant business impact to customers across North America, Latin America, and Asia Pacific. The company's strategic alliance with Oracle is built on a shared commitment to driving results and helping customers achieve their digital transformation goals.

A prime example of Peloton's impact is its partnership with a leading US poultry, pet, and animal

nutritional products supplier. Peloton led a comprehensive implementation of Oracle Cloud ERP and SCM, consolidating legacy systems into a unified Oracle Cloud platform. This transformation resulted in:

- Annual savings of thousands of work hours
- Support for expansion across 90+ production plants
- 30% reduction in IT maintenance costs and administrative expenses
- 50% reduction in month-end close time
- 18% increase in operational efficiency

Peloton continues its partnership with this leading company, modernizing Third-Party Logistics (3PL), optimizing additional production plants and warehouses across the enterprise by leveraging Oracle Cloud.

Peloton Consulting Group's recognition, selected from thousands of Oracle partners, highlights the transformative impact it has on its clients, enabling them to achieve meaningful change and deliver substantial ROI through innovative Oracle solutions.
