As a mentor and creator, Bonnie's mission is to uplift women by sharing her story of personal transformation through faith. She opens up about her challenges and how her unwavering belief has shaped her journey. Reflecting on her decision to contribute to Unstoppable! Volume 4, Bonnie commented "I wanted to become an author of Unstoppable because I felt like my story is important and has the potential to make a difference in other women's lives. I've always felt that God saved me to be a living testimony to the power and love that HE has for us."

Bonnie shared her excitement about becoming a best-selling author, stating, "It's an exciting time for me. I never believed I would have such an opportunity like this. I feel ready, nervous, excited, and confident. I know I'm taking a step in the right direction because God has opened every locked door for me so that I can be here today sharing His mercy and goodness."

Bonnie's passion extends beyond storytelling. As a talented creator, she crafts custom tumblers and gifts, and her next step is to share her creative talents with others through online classes. "My vision is to offer classes via Zoom, either in groups or one-on-one, to share my love and gift of crafting these beautiful pieces," Bonnie explains. "It helps one to show pride in the fact that they can make it happen too! The benefits are endless—some might find a source of side income, while others will experience fun and a little therapy through the arts."

Her aim is to empower women to find their creative voice and build confidence in their abilities. Bonnie believes that every woman has the potential to be unstoppable, and her goal is to help them unlock that inner strength. "I would love to inspire women to be unstoppable by showing them just how amazing they truly are. I feel like women aren't told this enough in life and are always feeling the competition or expectations that are just too unrealistic to achieve. I want to share my strength with them until they are able to carry it on their own," she adds.

Bonnie's advice to women who want to become unstoppable is simple but powerful: "Be determined to not be denied! You deserve this and have the unstoppable ability to make your dreams come true!"

With Unstoppable! Volume 4 - The Powerhouse Edition, Bonnie Gomez's story serves as a beacon of hope, reminding women that with faith, determination, and creativity, they can overcome any obstacle and achieve greatness.
