

Dr. Omari's New Book "Ethical Investment in Islam: Principles and Practices" A Guide to Responsible Investing

Explore Dr. Raed El Omari's new book on Shariah-compliant investments, highlighting fairness, justice, and social responsibility.

JORDAN, September 23, 2024

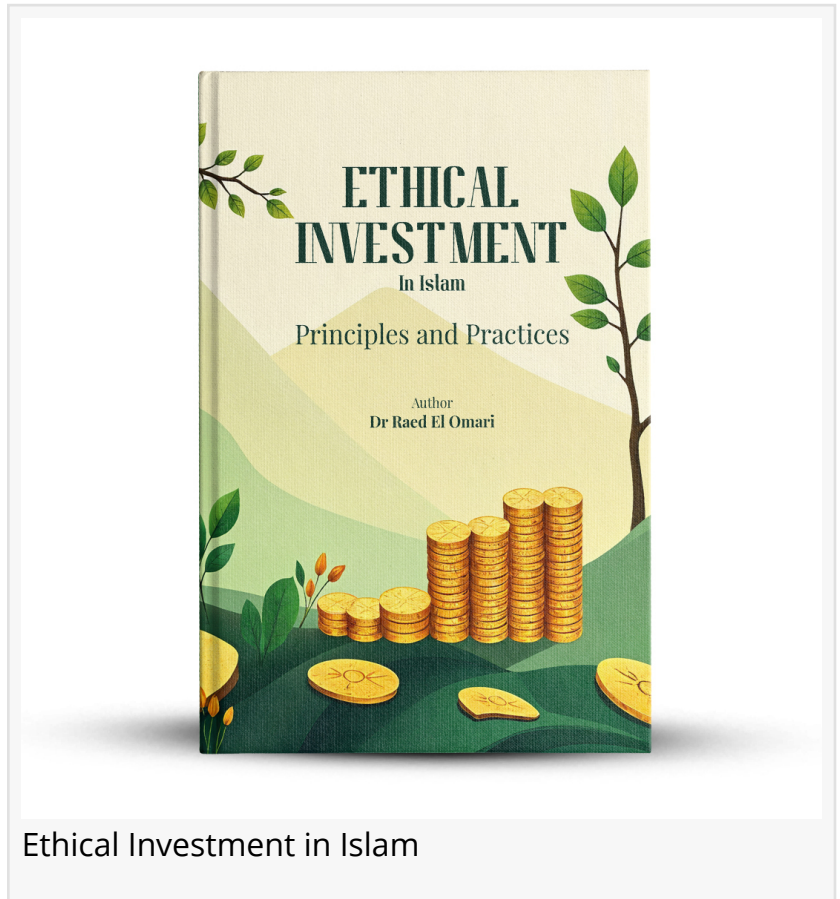

/EINPresswire.com/ -- Ethical Investment in Islam: Principles and Practices by [Dr. Raed El Omari](#) is a comprehensive exploration of ethical investments in Islam, firmly rooted in Shariah law. This insightful book addresses the growing interest in ethical finance, making it a timely resource for scholars, Islamic finance specialists, and ethical investors worldwide.

Key Themes and Concepts

The book delves into crucial concepts such as the prohibition of interest (riba), risk-sharing, and ethical business practices. Dr. El Omari emphasizes the social responsibility of investors, ensuring that their investments align with Islamic values like fairness and justice while avoiding haram (prohibited) activities such as gambling and alcohol.

Shariah-Compliant Investment Options

Readers will find detailed discussions on various Shariah-compliant investment options, including stocks, real estate, and sukuk (Islamic bonds). Dr. El Omari provides practical guidance on building an Islamic investment portfolio, making this book an invaluable resource for anyone looking to navigate the complexities of ethical investment in accordance with Islamic principles.

Ethical Investment in Islam

Focus on Modern Ethical Considerations

As the demand for ethical finance rises globally, Ethical Investment in Islam addresses the contemporary concerns of sustainability, labor rights, and corporate governance through the lens of Islamic finance. The book incorporates environmental, social, and governance (ESG) criteria, reflecting the importance of responsible investing in today's world.

Positive Reception

Since its release, the book has garnered enthusiastic feedback from a diverse audience. Scholars, ethical investors, and business leaders have praised Dr. El Omari's clear and thorough presentation of complex topics. Many within the Islamic finance community view this book as an essential tool for advancing Shariah-compliant investment practices.

Dr. Raed Elomari

A Call for Social Responsibility

“

Ethical Investment in Islam ensures that investments align with Islamic values like fairness, justice, and avoiding haram activities, while addressing modern concerns like corporate governance.”

Dr. Raed El Omari

Dr. El Omari encourages investors to consider the broader impact of their financial decisions. By integrating ethical considerations into their investment strategies, he aims to inspire a new generation of investors who prioritize both profit and social responsibility. This approach not only benefits individual portfolios but also contributes positively to society and the environment.
