of the commitment to sink in. But that day, I felt unstoppable, and that was my inspiration!"

Dawn's narrative in *Unstoppable! Volume 4* is an empowering account of her journey from hesitation to action, showing that it is never too late to pursue one's dreams. By sharing her own experiences, Dawn aims to provide a source of inspiration and encouragement, showing other women that they too can overcome their fears and achieve their goals.

"I'm beyond thrilled and grateful for this opportunity!" Dawn says about becoming a best-selling author. "This chance to share my story has been a wake-up call. Planning and writing my chapter has been a journey of self-discovery, and I've learned so much about myself and my strengths. Now, I'm eager to share my story and inspire others. This experience has been surreal, but I'm embracing it with open arms!"

Dawn Wood's mission is to empower women over 50 to take control of their lives, believe in themselves, and pursue their dreams with confidence. Through her upcoming program, EmpowerU, Dawn provides the tools and support women need to break through self-doubt, rediscover their passions, and achieve their full potential.

"I want to inspire women to remember that how others see them today is not a definition of their true worth or potential. It's just a snapshot in time," she remarked. "Let's shatter the status quo and show the world who we really are—unstoppable, fearless, and extraordinary."

Dawn's advice to women who want to become unstoppable is to invest in themselves and their dreams.

"Don't be afraid to invest in yourself—it's one of the best decisions you'll ever make!" Dawn advises. "What that looks like will vary from person to person. Maybe it's joining a community or group that aligns with your passions, hiring a life or business coach to guide you, or even starting your own business."

*Unstoppable! Volume 4 - The Powerhouse Edition* continues to inspire a global audience, demonstrating the power of resilience and the importance of sharing one's story. Dawn Wood's contribution to this best-selling anthology is especially potent for women as they step into their 50s and beyond.
