

Energy Marketing Conferences Unveils Nominees for the “Leadership and Integrity Award” at EMC22

"The Largest Retail Energy Conference in North America Returns: EMC22 Promises Unmatched Insights, Networking, and Innovation in Las Vegas"

BROOKLYN, NY, UNITED STATES, September 10, 2024 / EINPresswire.com/ -- [Energy Marketing Conferences](https://www.einpresswire.com/energy-marketing-conferences), LLC proudly announces the nominees for the coveted "Leadership and Integrity Award" at the highly anticipated EMC22 conference. This landmark event, taking place on September 23-24, 2024 for the first time at Caesars Palace, Las Vegas, marks EMC's twenty-second bi-annual gathering of top professionals in the retail energy industry.

Under the powerful theme ‘Retail Energy 2.0: The Future of Competitive Energy, EMC22 promises to be a transformative experience for all attendees.

“

These companies lead not only in the energy industry but also in philanthropy, supporting communities, and climate action. Their leadership and commitment to positive impact is truly inspiring.”

Jack Doueck

Featuring Keynote speaker Brandon Schwenter, CEO of [Priority Power](https://www.prioritypower.com), one of the largest independent providers of energy management services and infrastructure solutions for commercial and industrial customers across more than 40 U.S. states. It will also include 40 leading sponsors and an exhibit hall packed with 30 top-tier exhibitors, the event will offer attendees access to over 60 industry experts through ten pre-conference sessions and six thought-provoking panels. The fast-paced Fastball Pitch Competition, extensive networking opportunities at breakfasts and luncheons, and two vibrant evening

receptions, including the Supplier-Broker Exchange, are all on the agenda.

With over 400 attendees, EMC22 stands as the largest gathering of retail energy professionals in

North America, offering unparalleled networking and business development opportunities in a dynamic, in-person setting.

With energy professionals from across the U.S. gathering for EMC22, the excitement is building for the event's prestigious lineup of speakers and presentations, including leaders from:

Organizations:

- U.S. Air Force Office of Energy Assurance
- The Energy Professional Association (TEPA)
- Retail Energy Advancement League (REAL)
- Retail Energy Supply Association (RESA)
- LEAN ENERGY, USA (CCA)
