

# Iron Wolf Ranch & Distillery Garners Gold Medals for “Best Flavored Whiskey” @ Texas Whiskey Festival, Whiskies of World

SPICEWOOD, TX, UNITED STATES, September 10, 2024

/EINPresswire.com/ -- [Iron Wolf Ranch & Distillery](#), a rapidly growing craft distillery just west of Austin, is thrilled to announce that its flagship butterscotch whiskey, [Hotscotch](#), has been recognized as the "Best Flavored Whiskey" after securing multiple Gold Medals at two prestigious spirit competitions. The awards were earned at the Texas Whiskey Festival, the premier gathering of Texas whiskey makers, and Whiskies of the World, a global competition that highlights the best products across whiskey categories.

“Hotscotch is so distinctive and compelling that we consistently draw crowds at the competitions we attend,” says Jordan Watters, CEO of Iron Wolf Ranch & Distillery. “Among all the flavored whiskies, traditional whiskies, and even bourbons present, Hotscotch stands out for its bold and unique flavor. It’s especially rewarding to see customers return with friends to share the experience. Being recognized by industry experts and judges is a powerful endorsement of our product and the Iron Wolf brand. We’re honored to receive this recognition.”

Hotscotch delivers a rich blend of butterscotch and whiskey, offering a smooth sweetness balanced by a touch of "Texas heat" from a proprietary infusion of fresh Texas peppers. The subtle spice elevates the whiskey's richness, making it truly unique. Versatile and crowd-pleasing, Hotscotch can be enjoyed chilled as a shot, sipped over ice, or used in a wide range of inventive cocktails.
