

# Sean James Styles Jamie Lee Curtis for Emmy Appearance and big win Win

LOS ANGELES, CA, UNITED STATES,  
September 13, 2024 /

EINPresswire.com/ -- [Sean James](#), renowned Celebrity hair stylist, had the honor of styling the talented Jamie Lee Curtis for her Emmy appearance as Best Supporting Actress in a Comedy for her remarkable role as Donna Berzatto in the acclaimed FX/Hulu series, "The Bear." This nomination celebrates not just Jamie's outstanding performance but also the artistry behind her stunning look.

Utilizing Giovanni Cosmetics products, Sean crafted a gorgeous, voluminous hairstyle that perfectly complemented Jamie's dynamic presence. He applied a blend of mousse and gel to create a sophisticated yet playful look that exuded elegance. The styling process involved blow drying Jamie's hair with a Dyson blow dryer and a half-inch bristle brush, which helped achieve that perfect texture and definition.

After blow drying, Sean meticulously pieced out the hair, adding individual texture and volume to give Jamie that classic movie star aura. The result was a breathtaking hairstyle that captured the essence of her character and highlighted her natural beauty.
