

# New Book Release: The Witchfinder's Sacrifice A New Chapter in the Award Winning 'The Witches of Windsor' Saga

*Rande Goodwin announces the release of The Witchfinder's Sacrifice, the anticipated second installment in the award-winning series "The Witches of Windsor."*

WINDSOR, CT, UNITED STATES, September 10, 2024 /EINPresswire.com/ -- Greenleaf Book Group and author Rande Goodwin are thrilled to announce the release of The Witchfinder's Sacrifice, the highly anticipated second installment in the award-winning young adult fantasy series "The Witches of Windsor."

Hitting bookstores on September 24, 2024, The Witchfinder's Sacrifice continues the story that began in The Witchfinder's Serpent, a modern-day supernatural saga that builds upon the horrors of the early American witch trials that began in Connecticut, nearly fifty years before Salem. The books follow Nate Watson, a high school student that finds himself thrust into a world of witches and magick and ancient vendettas. With a mixture of suspense, intrigue and a touch of fascinating 17th century history, "The Witches of Windsor" is a series that both teens and adults will find irresistible and exciting.

The Witchfinder's Sacrifice: Something Wicked Has Returned . . .

A week has passed since Nate Watson defeated the evil warlock, Malleus Hodge, with the help of the witchfinder's serpent, a magickal, snake-shaped bracelet, once owned by Hodge himself. Unable to remove the ancient bracelet from his arm, Nate still struggles to control the serpent's immense powers.

As hellish monsters and once-dead creatures arrive, accompanied by impossible displays of magick, it becomes clear that Hodge is back with a plan: to unleash a twenty-first century witch hysteria upon the town that will pit neighbor against neighbor and family member against family member as the warlock stokes the flames of fear and paranoia to epic proportions.

With the help of his friends and a beautiful, mysterious visitor, Nate searches for a way to defeat Hodge for good—while coming to terms with loss, betrayal, and the fear that the serpent’s dark magicks are beginning to influence his behavior in unexpected ways. What Nate doesn’t know is that a sinister pact drives Hodge. The warlock is desperate and will stop at nothing to fulfill a dark bargain several centuries in the making.
