Linda Mackenzie joyfully accepts returning to the camera to do her own TV show and monthly Sunday Brunch 'Zoom' lecture series...at the young age of 75.

MANHATTAN BEACH, CA, UNITED STATES, September 12, 2024 /EINPresswire.com/ -- In an overwhelming response to her return to publishing after 23 year hiatus, Linda Mackenzie joyfully accepts a return to the camera by doing her own TV show and monthly Sunday Brunch 'Zoom' lecture series...at the young age of 75.

It's not every day that a 75 year old gets asked to do a TV show but that's what happened to HealthyLife.net Radio Founder Exec Linda Mackenzie, who happens to be a world-renown God-based psychic and a best selling multi-book author.

"I'm no stranger to broadcasting, whether film, TV or radio. I have been a radio host since 1996, appeared on almost all domestic and international broadcast TV/cable channels plus in award-winning documentaries." Mackenzie states. "But this is the first time I have headlined my own LIVE with LINDA show."

After a 23 year hiatus because of running 24/7 live HealthyLife.net Radio (www.healthylife.net) and HRNradio.com, Linda returned to writing and published her 4th book 'Symbols of You' in 2023 which recently won a GOLD COVR award for Best Non Fiction Visionary book and in 2024 published 'Total Mind-Body-Spirit Weight Loss' both in hardcopy and audio format. Returning to the Expo circuit to promote the book she caught the eye of SoulSearch.tv.

Linda's publishing and production company, Creative Health & Spirit, subsequently worked with SoulSearch.tv to produce an on demand interactive variety talk show to air September 18, 2024 on SoulSearch.tv, Roku, AppleTV, AndroidTV and AmazonFireTV.

The show is based on three popular topics - celebrities, personal development and natural health. 2023 marketing studies show this U.S. audience is approx. 84 million, (24.6%) of the U.S. population. In 2023 the combined personal development and natural health market alone
