Human trafficking is a devastating reality for many, especially women and girls. With 'Stop the Traffick and Walk the Runway,' we aim to bring communities together to spotlight this issue and support those affected. Fashion can be a powerful platform for change, and we are using it to make a difference.

**Why This Matters:**

Human trafficking is a global crisis, affecting millions and generating billions in illicit profits. Through this Gala and Fashion Show, WEModel USA seeks to shed light on the issue, mobilize communities, and generate resources for prevention, rescue, and rehabilitation efforts.

WEModel USA has developed a close and continual relationship with multiple entities in Africa, creating a gateway from DC to Africa. The organization is thrilled to share that this year, a percentage of the proceeds from tonight will be dedicated to supporting a village in Africa. This contribution will go directly towards improving the lives of those in need, helping to provide essential resources, and fighting human trafficking. Your participation tonight will not just be a celebration but also an opportunity to make a meaningful impact on a community that will greatly benefit from our collective generosity. Together, we can help build a brighter future for those who need it most."
