

Part2Car Expands UAE Footprint with 18 New Distribution Facilities

Part2Car announces major UAE expansion, launching 18 new distribution centers to enhance auto parts delivery.

DUBAI, UNITED ARAB EMIRATES, September 18, 2024

/EINPresswire.com/ -- Part2Car, a leader in providing high-quality auto parts, proudly launches a significant expansion in the United Arab Emirates with the opening of 18 new distribution facilities.

This expansion aims to streamline the supply of [specialized auto parts](#) for various car brands including Hyundai, Kia, Lexus, and Toyota, significantly enhancing service delivery across the region.

This expansion is not just about growing our footprint; it's about intensifying our commitment to the UAE market and its diverse automotive needs."

Zahir - CEO of Part2Car

Each facility, strategically located in the industrial areas of Sharjah, is tailored to meet specific [car part market](#) needs:

- Amwaj Al Khaleej specializes in Hyundai and Kia parts at one location, and Lexus Salon Cars parts at another, marking a targeted approach to servicing diverse automotive demands.

- Jazeerat Al Arab and Al Jazeerah Al Hamrah focus on

Toyota Camry and Land Cruiser parts respectively, catering to the widespread popularity of these models in the UAE.

- Muhammad Jahangir Alam and other facilities expand their repertoire with niche offerings like fuel pumps, steering wheels, and specific Lexus model parts.

Additional facilities include Al Barjeel (Lexus Salon Parts), Sahib Mohammed (steering wheels for all models), and Tareeq Al Khaleej (Lexus LS parts), all of which contribute to expanding the availability of critical auto parts across the UAE.

"This expansion is not just about growing our footprint; it's about intensifying our commitment to the UAE market and its diverse automotive needs," said Zahir, CEO of Part2Car. "By bringing

parts closer to our customers, we ensure faster delivery and better availability, directly addressing some of the most common challenges faced in the auto parts industry.”

The new facilities will provide a robust boost to Part2Car’s logistic capabilities, ensuring that both individual and corporate clients receive the parts they need with reduced lead times. This is a part of Part2Car’s broader strategy to [enhance operational efficiencies](#) and customer satisfaction across its markets.
