EINPresswire.com/ -- [Chi](#), the trailblazing UK artist and high fashion model with roots in Lagos, is back with a daring new single, "[Flipside](#)." Formerly known as Chi Virgo, she made a name for herself in the Neo-soul scene, but Chi has since embarked on a fearless transformation, rebranding her sound and style to push the boundaries of alternative punk—a genre rarely embraced by urban artists. Listen to "Flipside" [HERE](#).

"Flipside" represents a bold statement in Chi's evolution, merging the raw energy of punk with the soulful depth that has always been her signature. Her transition from Neo-soul to punk with soul is not just a musical shift, but a revolutionary move that positions her as a barrier-breaking artist in today's music landscape. "Flipside," is a punk rock anthem that captures the raw emotions of longing for a lover while exploring the complexities of relationships and the intense feeling of being "vexed." Set to make a lasting impact on the global cultural scene, Chi's music, style, and visual storytelling combine to present a multi-dimensional artist who is redefining the narrative of contemporary music. "Flipside" stands as a testament to Chi's distinctive vision and innovative songwriting.

Chi's Nigerian heritage and London upbringing have profoundly influenced her eclectic style, allowing her to seamlessly bridge the worlds of fashion and music. Her unique perspective on the intersection of these two realms offers a fresh narrative that challenges conventional genre boundaries and celebrates the fusion of diverse cultural influences.

This latest single "Flipside," further explores the innovative fusion of sounds and styles, showcasing how she is redefining what it means to be an artist today.
