“

When I did research on Kamala's career I was amazed by the reforms that she created to change the lives of inmates in CA. She headed a program called Back on Track that helped them obtain their GEDS.”

“In 2021, when I did research on Ms. Harris's career as an attorney general as I was writing my newly released book, POETIC TRIBUTES TO MAGNIFICENT LEADERS IN AFRICAN AMERICAN CULTURE (from A to Z), I was amazed by the incredible reforms that she implemented to change the lives of inmates in the state of California. She instituted a reformative initiative called the Back on Track program that helped them obtain their GEDS, as well as an opportunity

for them to learn a trade,” revealed Lady Peachena.

Her provocative, hot-rocking song, “LET'S VOTE FOR KAMALA” was released on September 10th, 2024, and is available on all social media outlets including Amazon Music, Facebook, Spotify, Apple/Itunes, and Deezer.
