

Bipper Media CEO Bobby Holland Returns from Success Stories Mission Trip to Southeast Asia

ATHENS, GA, UNITED STATES,
September 13, 2024 /

EINPresswire.com/ -- Last month, [Bipper Media](#) CEO Bobby Holland traveled to Cambodia and surrounding countries in Southeast Asia on a three-week long mission trip.

Dr. Fred Toke, Psy.D, the Chief of Operations for [PCL](#) (People for Care and Learning), along with PCL Chairman Scott Sheppard, invited Holland to encourage business and church leaders by leading workshops on leadership, entrepreneurship, and business growth as well as preaching messages at multiple churches.

On the first Sunday of the trip, over 100 people came up for an altar call following Holland's sermon. Then on August 16, he spoke at a business conference in Manila, the capital of the Philippines.

“

During this visit, I learned a lot of people are wanting guidance from small business owners on leadership and principles for success, so I was happy to provide my expertise in any way I could.”

A few days later, Holland traveled to Bandung, Indonesia, where he had the opportunity to collaborate with the founder and pastor of one of the region's largest churches. He delivered a sermon and conducted a “Startup to Success” workshop on leadership, entrepreneurship, and success principles.

"During this visit, I learned a lot of people are wanting guidance from small business owners on leadership and

principles for success, so I was happy to provide my expertise in any way I could," said Holland.

Before the end of his time in Southeast Asia, where he traveled to Singapore, Jakarta, Manila, Phnom Penh, Siem Reap, Bangkok and Bandung, Holland hosted a workshop about AI and SEO at the PCL computer lab in Cambodia that Bipper Media has been funding the internet for since 2022.

PCL is a nonprofit organization that provides training opportunities to break the cycle of poverty by focusing and operating in the following five main project areas: Build a City, Sustainable Farming, Common Grounds, Learning Centers, and Children's Homes.
