

Yichang by Jiangsu Architetural Landscape Design Wins Silver in A' Landscape Design Awards

Jiangsu Architetural Landscape Design Receives Prestigious Recognition for Innovative Riverside Park Project in Yichang

COMO, CO, ITALY, September 13, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [landscape design](#), has announced [Jiangsu Architetural Landscape Design](#) as a winner of the Silver A' Landscape Planning and Garden Design Award for their exceptional work titled "Yichang." This prestigious recognition highlights the significance of the Yichang project within the landscape design industry, celebrating its innovative approach and outstanding execution.

Yichang

The Yichang project showcases the relevance of thoughtful landscape design in creating vibrant urban recreational spaces that seamlessly integrate nature, fun, and interaction. By addressing current trends and needs within the industry, such as expanding riverfront road systems, incorporating diverse businesses, and rejuvenating industrial relics, Jiangsu Architetural Landscape Design demonstrates how their work aligns with and advances landscape design standards and practices. The practical benefits of the Yichang design extend to users, the industry, and other stakeholders, emphasizing utility and innovation in the field.

What sets the Yichang project apart is its unique blend of nature, recreation, and industrial heritage. The design team skillfully employed the concept of hyperlinks to expand the riverfront road system and create comfortable sitting areas with stunning river views. The infusion of diverse businesses into the park, along with the rejuvenation of the dock using a trendy

industrial style, adds depth and character to the space. The incorporation of the Lipotes vexillifer theme park and dynamic sculptures not only adds an element of fun but also advocates for the protection of the local ecology.

The recognition bestowed upon Jiangsu Architectural Landscape Design by the A' Landscape Planning and Garden Design Award serves as motivation for the brand's team to continue striving for excellence and innovation in their future projects. This achievement has the potential to inspire further exploration and push the boundaries of landscape design, fostering a culture of creativity and progress within the industry.

Yichang was designed by the talented team at Jiangsu Architectural Landscape Design, including Che Li, Huanyu Fang, Ming Wu, Xinpeng Yu, Yongjun Tang, and Fangye Cheng. Their collective expertise and dedication have been instrumental in bringing this remarkable project to life.
