“This is something we've wanted to do for a long time and it's so great to finally see it in print,” Krissy said. “We're grateful to the local talent who brought our vision to life and we are excited that kids can now take their memories of the farm home with them.”

The book shares the story of a brother and sister who embark on an exciting trip to Thiessen Orchards that includes exploring the attractions, learning how to pick

apples properly and enjoying tasty apple treats before heading home to share their adventure

(and apples) with their parents.

The book is dedicated to Gloria and the late Peter Thiessen, who started Thiessen Orchards over five decades ago. Peter was the inspiration for “Farmer Pete”, the beloved mascot for the farm.

“We’re so happy this book will honour Andrew’s parents, Gloria and Peter Thiessen, and the legacy they’ve built,” Krissy said.

The orchard is open seven days a week – September through October – for pick your own apples, pumpkins, and other family fun activities such as corn mazes, children’s play areas, apple treats, weekend live entertainment and a haunted barn experience. The popular Halloween Extravaganza will be held on Saturday, October 19th with a rain date of Sunday, October 20th.
