EINPresswire.com/ -- Experience.com has partnered with renowned real estate marketing expert and Curaytor co-founder Chris Smith to launch a series of 45-minute training webinars designed to help real estate agents succeed in the digital age. The first webinar, titled “Exactly What to Say for Real Estate Agents,” is based on Chris Smith’s USA Today bestselling book and is set to provide invaluable insights on how agents can optimize their online presence and drive business through improved search engine rankings.

The graphic is a dark rectangular box with white and orange text. At the top left, it says 'experience.com' in white and 'FREE TRAINING EVENT' in orange. The main title 'Exactly What to Say for Real Estate Agents' is in large white font. Below the title is the signature 'Chris Smith' in orange, with 'Mega Real Estate Influencer & Curaytor Founder' in small white text underneath. On the right side, there is a circular portrait of Chris Smith with an orange dashed border. Below the graphic, the text 'Reserve Your Spot for This FREE Training Event' is written in black.

This partnership combines Chris Smith’s cutting-edge real estate marketing strategies with [Experience.com’s](#) innovative search optimization platform, empowering agents to take control of their online visibility and attract more leads from Google and other search engines.

The free webinar will cover key strategies that go beyond traditional SEO practices, giving attendees the tools they need to gain a competitive edge in their local markets. This must-attend event is essential for any agent looking to increase visibility, win more local business, and ultimately grow their real estate practice.

In this exclusive webinar, participants will learn:

- *The key metric that reveals how to win online
- *How to assess their current search presence

- *How to see how their competitors rank
- *Actionable steps to boost their online presence
- *Techniques to get found and chosen by local prospects

Experience.com's platform is truly transformational for real estate agents. It empowers agents to take control of their online presence and outpace their local competition. For agents who want to dominate their market, this is the game-changer. - Chris Smith, Founder Curaytor
