

Michigan Mesothelioma Victims Center Urges an Auto-Truck Plant Worker with Lung Cancer or Mesothelioma in Michigan to Call the Detroit Based Lawyers at Zamler Shiffman & Karfis to Discuss Compensation

DETROIT , MI, UNITED STATES,
September 18, 2024 /

EINPresswire.com/ -- The Michigan Mesothelioma Victims Center says, "If you now have lung cancer or mesothelioma anywhere in Michigan and you worked at an auto-truck plant anywhere in the state please call the Detroit based lawyers at Zamler Shiffman & Karfis anytime at 866-714-6466 to discuss financial compensation. The law firm of Zamler Shiffman & Karfis has been assisting people with asbestos exposure lung cancer and mesothelioma in Michigan for over 45 years and they get top compensation results for their clients.

"Most auto-truck plant workers in Michigan who develop mesothelioma will instantly know or start thinking about where or how they were exposed to asbestos. Unfortunately, for people who had heavy or routine exposure to asbestos at work-and then develop lung cancer-they may not consider asbestos exposure at all. Three or four times as many people will develop asbestos exposure lung cancer as opposed to mesothelioma this year, and most will never receive a dime in compensation because they never made the connection between their workplace asbestos exposure and their lung cancer. We are trying to change this sad fact.

"If your husband or dad is a former auto-truck plant worker with lung cancer or mesothelioma

anywhere in Michigan please call the lawyers at Zamler Shiffman & Karfis at 866-714-6466 to discuss compensation. Compensation might be much more than they ever dreamed possible." <https://ZSKPC.Com>

The Michigan Mesothelioma Victims Center is a passionate advocate for people with mesothelioma or asbestos exposure lung cancer in Detroit, Flint, Grand Rapids, Lansing, Ann Arbor, Troy, Farmington Hills or anywhere in Michigan.
