

Florida Mesothelioma Victims Center Urges The Family of Navy Veteran with Just Diagnosed Lung Cancer or Mesothelioma Anywhere in Florida to Call the Gori Law Firm About Compensation-They Have No Equal in Florida

TAMPA , FL, UNITED STATES, September 17, 2024 /EINPresswire.com/ -- According to the Florida Mesothelioma Victims Center, "If your husband or dad is a Navy Veteran who has just been diagnosed with lung cancer or mesothelioma anywhere in Florida, please call the Gori Law Firm at 866-532-2106 to discuss financial compensation. Every year three to four times as many Navy Veterans will be diagnosed with asbestos exposure lung cancer than mesothelioma. Unfortunately, most of these Navy Veterans with lung cancer will never get compensated because they are not aware the \$30+ billion dollar asbestos trust funds were set up for them too. The Gori Law Firm has an office in Tampa, Florida and they are one of the nation's leading law firms focused on asbestos exposure lung cancer and mesothelioma.

"Navy Veterans are still the top work group for individuals who will develop lung cancer and mesothelioma because they had so much exposure to asbestos on a navy ship, submarine or at a navy shipyard. The sailors most at risk for asbestos exposure in the navy worked in a ship's engine room, a submarine's propulsion center, as part of a repair crew, maintaining machinery or they were assigned to a shipyard to work with shipyard workers on their ship or submarine.
