

Louisiana Mesothelioma Victims Center Appeals to the Family of a Former Oil Refinery Worker with Lung Cancer or Mesothelioma Anywhere in Louisiana to Call the Gori Law Firm-Get Compensated

NEW ORLEANS, LA, UNITED STATES, September 19, 2024 /EINPresswire.com/ -- The Louisiana Mesothelioma Victims Center is appealing to the family of a current or former oil refinery worker who has just learned they have lung cancer or mesothelioma anywhere in Louisiana to call the Gori Law Firm anytime at 866-532-2106 to discuss financial compensation. Compensation for an oil refinery worker with asbestos exposure lung cancer might exceed \$100,000 and financial compensation for an oil refinery worker with mesothelioma might exceed a million dollars as the lawyers at the Gori Law Firm are always happy to discuss. The Gori Law Firm has an office in New Orleans.

The group says, "Oil refineries are notorious for containing asbestos and prior to the early 1980s workers were required to be around or interact with asbestos on a routine basis. These workers might have been pipefitters, plumbers, welders, electricians, insulators or members of repair crews or laborers. The reason asbestos was used in high frequency in oil refineries in Louisiana and nationwide is because it can act as a fire break for the spread of fires.

"If your husband or dad is a current or former oil refinery worker anywhere in Louisiana and he has just been diagnosed with lung cancer or mesothelioma please call the Gori Law Firm at 866-532-2106. The Gori Law Firm has no equal in Louisiana." www.gorilaw.com
