

# ZSuite Tech Celebrates 100 Bank Partners

*ZSuite Tech celebrates a major milestone by partnering with 100 banks across 28 states, driving innovation in digital escrow and subaccounting solutions.*

WESTWOOD, MA, UNITED STATES,  
September 17, 2024 /

[EINPresswire.com/](https://EINPresswire.com/) -- ZSuite Tech, a trailblazer in digital escrow and subaccounting solutions, is excited to announce a new milestone: reaching 100 bank partners across 28 states in the US! This achievement highlights ZSuite Tech's unwavering dedication to transforming financial processes and providing exceptional value to its partners and clients.

Since its founding, ZSuite Tech has been at the forefront of delivering innovative technology solutions tailored to meet the unique needs of various industries. Now supporting 12 different verticals, ZSuite Tech continues to demonstrate its ability to drive growth in commercial deposits and enhance operational efficiency in three-party accounts and sub-ledgering.

“

We are proud to share that ZSuite Tech has partnered with our 100th financial institution. This milestone is a reflection of our commitment to delivering outstanding value and service”

*Nathan Baumeister*

“We are proud to share that ZSuite Tech has partnered with our 100th financial institution. This milestone is a reflection of our commitment to delivering outstanding value and service, helping our partners grow commercial deposits and streamline financial processes,” said Nathan Baumeister, CEO and Co-founder of ZSuite Tech. “As we

continue to innovate and expand our reach, we look forward to working with even more banks and driving further success.”

ZSuite Tech's comprehensive suite of digital products simplifies complex financial workflows, empowering businesses using their partner banks to manage funds with enhanced accuracy and transparency. Committed to ongoing improvement and customer satisfaction, ZSuite Tech remains dedicated to supporting its partners as they navigate the dynamic landscape of financial technology.

## About ZSuite Tech

ZSuite Tech is a financial technology company that aims to power financial institutions with digital escrow products for specific commercial verticals that they can offer to their clients. ZSuite's products, ZRent and ZEscrow, streamline collection of recurring payments and automate the management and compliance around three-party accounts and multi-use escrow subaccounting.□□□
