Villa Embrace is one of the Caribbean's most exclusive villas, featuring five luxurious suites with floor-to-ceiling windows, natural materials, and modern decor that merge indoor and outdoor spaces. The villa unveils two infinity edge pools, one of which is over 100 feet long, outdoor showers embraced by lush foliage, and private gardens for each suite. and a curated art collection featuring pieces from Roy Lichtenstein and Andy Warhol, amongst others.

Villa Embrace takes pride in bringing personalized service to a new level, offering gourmet meals from a 24/7 in-house chef, paired with dedicated butler and concierge services for VIP planning and exclusive dining reservations. Designed by Architectonik and landscaped by KO Concept Group, the villa combines local and international influences, boasting an underground 10-car
