The ESOP Advisor Hall of Fame exists to help preserve the history of the ESOP advisor community by inducting individuals who have played a significant role in it over the years.

This year, ESOP Advisor Hall of Fame is proud to be able to announce the induction of Bob Socol.

Robert S. Socol was a Managing Director in the Valuation & Financial Opinions Group at Stout Risius Ross, Inc. His concentration was in ESOP and ERISA Advisory Services. What is the ESOP Advisor Hall of Fame?

The ESOP Advisor Hall of Fame is an effort by the membership of ESOPMarketplace.com to establish a comprehensive timeline of ESOP history that acknowledges and celebrates the contributions of those individuals that have played a key role in the development of the understanding and practice of ESOPs.

The ESOP Advisor Hall of Fame timeline highlights key events such as the publication of seminal texts that developed the idea of employee ownership, important legislation that established rules for employee ownership plans, and ways in which the ESOP community organized and formed bodies to promote ESOPs and disseminate information about the plans.
